Part No.

54050114-01	54050114-02	54040114-03	54050114-04
-------------	-------------	-------------	-------------

Specifications	
Voltage Rating	60V
Rated Current (40°C)	4A
Locking of Ports	Screw thread M12 × 1 mm (recommended torque 0,4/0,6 Nm), self-securing
Environmental Protection	IP65 and IP67 when plugged and screwed down (EN 60529)
Mechanical Life	100 mating cycles
Operating Temperature	-20°C - 85°C
