

Material: PA, Polyamide 66, 94V-2 Grade  
 Inflamming retarding  
 Good resist dissolve,  
 Good bounce impact,  
 Working temperature: 40°C to +105°C  
 Brass. Screw is Iron plated Zinc  
 Voltage: 250-450V  
 Color S.Po 6 white color, S.P07 black color as standard.

RoHS Compliant		<b>SCHMID-M</b>
